

Matteo Barone

Software engineer

Milan, Italy

Profile

I'm Matteo, software engineer based in Milano or everywhere. Enthusiastic about web applications and clear and simple code. In my spare time, I love to go in the mountains.

Experience

Software engineer @ Klarna

oct 2020 - today

Building a service catalog, improving the dev experience of the company. Possibility to work both in frontend and backend side of the project.

I'm expanding my knowledges also in NodeJs and CI/CD world.

Frontend dev @ Qwentas

sep 2016 - today

Working on main projects and clients of the agency. Developed strong background in frontend technologies and methodologies.
