Matteo Barone

Software engineer

Milan, Italy

Profile

I'm Matteo, software engineer based in Milano or everywhere. Enthusiastic about web applications and clear and simple code.
In my spare time, I love to go to the mountains.

Experience

Sowtware engineer @ Klarna

oct 2020 – today

Building a service catalog, improving the dev experience of the company. Working on both frontend and backend side of the project.
I'm expanding my knowledges in NodeJs and CI/CD world, consolidating frontend skills and using mostly React.

Frontend dev @ Qwentes

sep 2016 – today

Working on main projects and clients of the agency. Developed strong background in frontend technologies and methodologies.

Education

M.A @ SPD – Scuola Politecnica di Design | Milano

oct 2015 – dec 2016

Web and Digital Design

B.A @ Università degli Studi | Udine

sep 2010 – mar 2015

Web technologies
